PREFACE

5 April 2004

**SUBJECT: Southwest Region Office (SWRO) Directorate of Public Works (DPW)
Smart Book**

The SWRO DPW Smart Book is a compendium of critical functions and tasks that the DPWs at the Garrison level are faced with on a daily basis. This book provides a quick, accessible set of guidelines and tips to the DPW leadership.

There is action officers within the organization that could articulate in more depth the functions/tasks highlighted on this book.

The book is a working product and will be kept up-to-date on the SWRO Web page under the Public Works session at <http://www.ima.army.mil/southwest/Files/PW/Index.asp>

I highly encourage you to become familiar with the smart book and provide any feedback you have.

Great Journey into the DPW World!
